Your policy in a nutshell

We offer insurance specifically designed to cover disabled drivers, adapted cars, and wheelchair adapted vehicles.

Like all insurance policies, there are limits to what we will and won't cover – and you can find all the details throughout this document.

Just to be clear, the incident must happen during the time your vehicle is covered by us.

The most common reasons people claim on their car insurance policy are:

They've been involved in a car accident

Their windscreen has been damaged

Their car has been stolen

The most common things people try to claim for, which aren't covered are:

- ✓ Their car was stolen while the keys were left in their car or it was left unlocked.
- ✓ Their car breaks down due to an electrical or mechanical fault.

Making sense of your policy

We've tried to make this document easy to understand and navigate but there may still be a handful of words and phrases that you may not be familiar with. Some words also have a technical meaning – so while they may sound straightforward, they have a specific meaning when we mention them in your policy.

Wherever possible, we've defined key words and phrases at the point where we mention them – but there are a few that come up regularly, so it's worth familiarising yourself with these before you read on.

Certificate of motor insurance – This is a document that you'll be sent after you've bought your policy. It shows which car is covered, who is allowed to drive your car, and what your car can be used for. It also shows the start and end dates of your cover.

Policy schedule – This is a document that you will have been sent when you set up your policy. It contains all the specific details of your policy, such as the level of cover you have, the maximum claim limits, excesses and the dates when the policy starts and ends. It will also include the details of your car along with details of the people who are insured to drive it. We will issue you a new schedule each time you renew your policy or if your policy is changed.

Your car – When we use the term 'your car' we mean any car that's covered under this policy. This includes any equipment and modifications on and in your car (such as wheelchair ramps, hoists, hand controls, sat navs, accessories, spare parts), if fitted by your car manufacturer, professional converter, or approved dealer. We will also cover child seats.

We, our, us – If we use the words 'we', 'our' or 'us' – then we're talking about Ageas Insurance Limited.

You or your – Where we use the words 'you' or 'your' – we're talking about the policyholder named on the policy schedule.

Finally, this policy is between you and us; it is not our intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else the right to enforce this policy. English Law will apply to this policy unless you live in Scotland, Northern Ireland, Isle of Man or the Channel Islands, in which case the law where you live will apply. We will communicate with you in English.

Making sense of your policy (continued)

Your obligations to us

1

You must pay, or agree to pay, the policy premium. In return we will provide cover under this policy.

2

You need to make sure that your car is roadworthy and safe to drive at all times. You must protect your car, its adaptations and accessories from being stolen or damaged. If you don't look after your car and ensure that it has a valid MOT (if required), we may not be able to pay your claim.

3

You need to ensure that all your personal possessions are placed out of sight and your car is locked at all times when unattended.

4

You must use your car's equipment and adaptations in accordance with the manufacturers' instructions, such as wheelchair adapted ramps, electric charging cables and tow bars.

5

Sometimes we are able to recover costs for a claim from another party, or we may need to defend a claim in court. If we do this, you or any other person covered must provide any documents or information that we request.

Always tell the truth

It's really important that you're honest with us when you're buying a policy, updating the policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or cause us to suffer a financial loss, is fraud and pushes up the cost of insurance for all customers.

If we do find that you have defrauded us to obtain or change a policy, we may void the policy and you may not get a refund. This means that we would treat the policy as though it had never been issued. If you have carelessly provided misleading information we may leave your policy in place but only pay part of any claim you make. If you commit fraud when making a claim we may refuse to pay the claim or make you repay any money we've already paid out in claims.

We will also tell other insurers and anti-fraud databases, which could affect your ability to get access to insurance and other financial services in the future. We may also let the police know, who may choose to bring charges against you that could ultimately result in a prosecution. So please do make sure that you're always honest with us, so that we can pay claims you make, and keep the cost of our insurance down for all our customers.

Step by step guide to making a claim

1

Before you call us

If your car has been involved in an accident, make sure you take down the registration number of any other vehicles involved, as well as the contact details of any other drivers and any witnesses.

If your car has been stolen, something's been stolen from it, or it has been vandalised, you should start by calling the police. You need to make sure you get a crime reference number.

Finally, you mustn't negotiate or settle any claims made against you.

2

Call our 24 hour claims helpline

If you've been involved in an accident, or your car has been damaged or stolen,

call us on
0333 331 3960

3

How we'll handle your claim

After an incident, we will decide if your car can be repaired. You will then need to decide whether you want us to arrange the repairs for you, or whether you want to arrange it yourself. We may choose to pay you a cash amount equal to the repair.

Child car seats

If you're involved in an accident, or your car is stolen, or damaged as a result of fire, we'll cover the cost of replacing any child car seats, as long as they were in your car at the time of the accident, fire or theft. There is a separate limit for child car seats of a maximum of £250 per incident.

Step by step guide to making a claim (Continued) If your car is being repaired

Using our approved garage

If your car's not safe to drive, we'll arrange for it to be collected from the scene of the incident.

We'll arrange for your car to be securely stored if it can't be taken to a garage straight away.

If your car is safe to drive, we'll arrange for it to be collected at a convenient time to carry out the repair.

We'll agree the costs of the repairs with our approved garage, including the replacement as new of any adaptations that have been lost or damaged.

We'll get you a courtesy car on the next working day after we've agreed to repair your car – and we'll let you keep it for as long as the repairs take.

When the repairs are finished, we'll deliver your car back to you.

Our approved garages may use recycled parts as well as new parts which are not supplied by the manufacturer. All parts used to repair your car come with a guarantee. All workmanship is guaranteed for as long as you continue to own your car.

Using your own garage

If your car's not safe to drive, you may have to arrange for it to be collected from the scene of the incident.

If a garage can't take your car straight away, you may have to arrange for it be stored.

If your car is safe to drive, you may have to arrange collection from home with your own garage.

You will have to send us estimates for the cost of repairs, and we'll need to agree this before the work starts.

We don't give you a courtesy car while your car is in the garage.

You may have to arrange for your car to be returned to you once the repairs are complete.

We don't guarantee the repair work.

Step by step guide to making a claim (Continued)

When we can get you a courtesy car

If your car is being repaired by one of our approved garages in the UK, Channel Islands or Isle of Man, then we'll offer you a courtesy car for as long as your car is being repaired. We will always try our best to ensure this meets your mobility needs.

But we don't offer this if it has been stolen and unrecovered, or if we have decided not to repair your car, or if you have taken it to a garage of your choice. If you have an electric car we may not be able to get you an electric courtesy car.

In any of the above circumstances, we will pay your reasonable expenses incurred whilst your car is being repaired, or until settlement has agreed, to allow you to:

- ✓ Hire a suitable adapted car

- ✓ Hire a taxi

- ✓ Use public transport

Once you've shared with us your receipts, we will pay £50 per day, up to a maximum of £700 during your policy.

**Fish call this your
Keep Mobile Benefit.**

Step by step guide to making a claim (Continued)

If your car isn't being repaired

If we don't repair your car, we'll assess its market value.

We calculate the market value by looking at what the cost would be to replace your car with one of a similar age, type and mileage, including the cost of replacing any driving adaptations as new. We will also take into account the condition of your car just before the incident.

If there is any outstanding loan, lease or contract hire agreement on your car, we will pay the finance, leasing or contract company. Should our settlement be less than the amount you owe, then the loan, leasing or contract company may contact you for the shortfall.

Once we've paid the claim, your car will belong to us. If you have a private registration plate, please let us know.

If you bought your car new and it is a year or less old and the mileage at the time of purchase was under 250 miles – we will arrange to get you a new one of the same make, model and specification if you want us to. If the same car is not available, we will ask you to supply your purchase invoice and give you the amount you paid for your car when you bought it. We will do this if the repair costs are more than 60% of replacing with a new identical one.

Acting on your behalf

If someone takes legal action against you, or anyone else named on this policy after an accident, you need to let us know. We may carry out the defence on your behalf, including representing you in court.

You may also need to let us take legal action against other people involved in an accident on your behalf. We can do this in the name of anyone claiming on this policy.

What is an excess and how does it work?

This is the amount that you'll have to pay towards any claim you make. For example, if we agree to settle your claim for £1,000 and you have an excess of £250 on your policy – we would pay you £750.

If we are repairing the car, you may have to pay the £250 excess directly to the garage.

There are different excesses for different parts of your policy – and you'll find the details of these in your policy schedule. You also need to remember that sometimes more than one excess will apply, and we will add them together. For example, if the policy has an accidental damage excess of £250 and a young driver excess of £150, a young driver making an accidental damage claim would have to pay £400.

Just to be clear, you only pay an excess when you are claiming for loss or damage to your car.

What your policy doesn't cover

There are some circumstances in which your policy won't pay out. You'll see a detailed list of what is and isn't covered in the later sections of this policy. But there are some things we won't pay out for regardless of the circumstances. We've laid these out below.

What your policy doesn't cover

- We won't pay for general wear and tear to your car, or any damage that happens gradually.
- We will not pay claims where another insurance policy already covers the same claim.
- We won't pay for failures of your car's equipment, electrics or mechanics if they don't work – for example, if your sunroof, hood mechanism, bonnet or electric windows won't open or close.
- We won't pay claims which happen because you let someone drive your car who isn't insured to drive it under this policy.
- We won't pay claims if you allow someone to drive your car who you know doesn't hold a valid driving licence or who doesn't meet all the conditions of their licence.
- We won't pay claims if your car is being used for racing, or is driven on any kind of racetrack – including the Nürburgring in Germany.
- We won't pay claims if you, or anyone allowed to drive under this policy drives recklessly, or without due care and attention and deliberately causes any loss or damage to your car.
- We won't pay claims if you allow your car to be used for anything to do with crime which results in a criminal conviction.
- We won't pay claims that are the result of war or terrorism. By terrorism, we mean any act that the UK government declares to be an act of terrorism.
- We won't pay claims that have been caused by ionising radiation or radioactive contamination from any nuclear fuel or any nuclear waste.
- We won't pay claims that are the result of you, or anyone allowed to drive under this policy driving your car anywhere that the public are not permitted, such as airfields or military sites.
- We won't provide cover for any person driving at the time of the incident who is found to have a higher level of alcohol or drugs in their body than is allowed by law.
- We won't provide cover for any person driving at the time who is given a driving ban as a result of the incident.
- We won't pay claims if you use your car for any other purpose that is not listed on your certificate of motor insurance, such as using your car as a taxi, minicab or fast food delivery.
- We won't pay claims for damage to your car caused by putting the incorrect fuel in.
- We won't pay claims caused by you or anyone else not using your car's equipment, such as wheelchair ramps, electric charging cables and tow bars, in the way the manufacturer tells you to, or it has been used in an unsafe way.
- We will only cover equipment and modifications on and in your car, if fitted by your car manufacturer, professional converter or an approved dealer. If you fit new equipment to your car, or make a modification which is not on your manufacturer's list, we won't cover you for the cost, unless you have told us about the equipment or modification and we have accepted it.
- We won't cover your uninsured losses, such as your excesses.
- We will not pay for any claim when the car is being driven by or is in the charge of anyone who is under 21 years old or anyone who does not hold a full driving licence issued within the geographical limits or the European Union, to drive the car, unless you have sent us their details and we have accepted them in writing.

What your policy does and doesn't cover

Section A: Damage

What's covered

We will pay a claim for your car if it is damaged in the UK, Channel Islands or Isle of Man.

We will also pay claims to repair or replace your car stereo or sat nav if damaged. Cover is unlimited if fitted by your car manufacturer or an approved dealer. If it hasn't, but is permanently fitted we will only pay the cost of the standard manufacturer fitted stereo or sat nav.

If your car can't be driven after it has been damaged, we can help you and your passengers get to your home or any other destination within the UK – as long as we have accepted the claim.

Or, if you can't complete your journey until the next day, we'll pay for overnight accommodation.

There's a limit to how much we'll pay for transport from the scene of an accident and for overnight accommodation of £50 per person, with a maximum limit of £250 for any one incident.

What's not covered under Sections A and B

We won't pay claims if your car is stolen or damaged because it was left open or unlocked.

We won't pay claims if your car is stolen or damaged because you didn't take care of your car keys or any other device used to unlock your car, such as leaving the keys in your car.

We won't cover tyre damage sustained during normal use of your vehicle, such as punctures or bursts.

We won't cover damage to your car stereo or sat nav if it is not permanently fitted to your car.

If your car is worth less after being stolen or repaired, we won't cover this loss in value.

We won't pay claims caused by you carelessly allowing someone to deceive you. For example, if you allow someone to test drive your car unaccompanied and they steal it, we wouldn't pay the claim.

We won't pay a claim if your car is stolen or damaged by anyone you know that uses your car without your permission – unless you've reported them to the police for doing so. This doesn't apply to people named on your policy schedule.

We won't pay for damage if your car is confiscated or destroyed under order of the police or any other authority.

With the exception of the cover afforded to you under the Keep Mobile Benefit listed on page 10.

We won't cover any costs associated with you being unable to use your car, such as getting to and from work.

Just to be clear, we'll never pay more than the market value of your car.

What your policy does and doesn't cover (Continued)

Section B: Fire & Theft

What's covered

We will pay your claim if your car is stolen or damaged by fire or attempted theft in the UK, Channel Islands or Isle of Man.

We will also pay claims to repair or replace your car stereo or sat nav if stolen or damaged by fire or attempted theft.

Cover is unlimited if fitted by your car manufacturer or an approved dealer. If it hasn't, but is permanently fitted we will only pay the cost of the standard manufacturer fitted stereo or sat nav.

If your car can't be driven or has been stolen, we can help you and your passengers get to your home or any other destination within the UK – as long as we have accepted the claim.

If you can't complete your journey until the next day, we'll also pay for overnight accommodation.

There's a limit to how much we'll pay for transport from the scene of an accident and for overnight accommodation of £50 per person, with a maximum limit of £250 for any one incident.

What your policy does and doesn't cover (Continued)

Section C: Damaged windscreens and glass

What's covered

We will pay for the repair or replacement of your car windscreen or car window as long as it is made of glass. And we'll also pay for any damage to your car's bodywork caused by the broken glass.

We don't use car manufacturer glass, but we will use glass of a similar quality and standard.

If you don't use our approved glass repairer, there's a separate limit for these types of claim of £150 after taking off the excess. You'll find the details of your excesses in your policy schedule.

A claim under this section of your policy won't affect your no claims discount.

What's not covered

We won't cover any costs associated with you being unable to use your car, such as getting to and from work.

Just to be clear, we'll never pay more than the market value of your car.

Your car's safety features

Where possible we try to repair windscreens at a place which is convenient for you. However, if your car has a built in safety system, such as an advanced driver assistance system, this may need to be reset once a windscreen has been replaced. If this is the case, we'll arrange for this to be carried out.

What your policy does and doesn't cover (Continued)

Section D: Replacement locks and keys

What's covered

If your car key, or any other device used to unlock your car, is lost or stolen in the UK, Channel Islands or Isle of Man, we will pay for the cost of replacing these, as well as the cost of replacing any locks that they open. We'll only do this if it's necessary to keep your vehicle safe.

We'll also cover the cost of protecting your car and will pay for it to be taken to and from your address to be repaired if needed.

There is a separate limit for replacement locks and keys of £750 after taking off the excess. You'll find the details of your excesses in your policy schedule.

A claim under this section of your policy won't affect your no claims discount.

What's not covered

We won't cover any costs associated with you being unable to use your car – such as being able to get to and from work.

Just to be clear, we'll never pay more than the market value of your car.

What your policy does and doesn't cover (Continued)

Section E: Claims against you or others named on the policy

What's covered

If someone dies or is injured in a car accident caused by or arising out of you using your car in the UK, Channel Islands or Isle of Man, we will cover you for any amount that you're legally obliged to pay.

We'll also cover you for any amount you're legally obliged to pay due to someone else's property being damaged.

This section of your insurance policy will also cover other people driving your car if you have given them permission, but only if your certificate of motor insurance says they are allowed to drive it.

We'll also provide this cover for anyone getting into or out of your car.

What's not covered

We won't cover any damage to property which is owned by, or is in the care of the person who is claiming under this section – including any vehicle, trailer or caravan.

If a claim is made under this section for loss or damage to property, we won't pay any more than £20 million for any single claim or series of claims that relate to one incident, including all costs and expenses.

There is a separate limit of £1.45m for any single pollution or contamination incident, including all costs and expenses.

What your policy does and doesn't cover (Continued)

Section F: Driving other cars

What's covered

Your policy may cover you for driving someone else's car. You'll need to check your certificate of motor insurance to see whether this cover is included.

If you are insured to drive other cars and someone dies or is injured in a car accident caused by or arising out of you using that car, we'll cover you for any amount that you are legally obliged to pay.

We'll also cover you for any amount you're legally obliged to pay due to someone else's property being damaged.

If you're driving someone else's car you must have the owner's permission, and the car must be insured and registered within the UK, Channel Islands or Isle of Man.

What's not covered

We won't cover the cost of any damage to the car you're driving.

We won't cover any other vehicles that you own, lease or hire.

We won't cover any other drivers under this section other than you.

We won't provide cover outside of the UK, Channel Islands or Isle of Man.

If a claim is made under this section for loss or damage to property, we won't pay any more than £20 million for any single claim or series of claims that relate to one incident, including all costs and expenses.

There is a separate limit of £1.2m for any single pollution or contamination incident.

What your policy does and doesn't cover (Continued)

Section G: Personal accident

What's covered

We will provide cover if you or your partner are accidentally killed or injured whilst travelling in any car or whilst getting into or out of any car. To be clear we only cover the following specific injuries:

- Total and permanent loss of sight in one eye – £10,000.
- Total and permanent loss of one hand or foot – £10,000.
- Death – £10,000.

The direct cause of death or injury must have been an accident that happened in the UK, Isle of Man or Channel Islands.

The death or injury must also happen within three months of the accident.

By partner, we mean someone you're in a personal relationship with – such as your husband, civil partner or wife, and not a business partner.

What's not covered

We won't pay a claim for any person who was driving while above the legal limit for drugs or alcohol.

We won't pay a claim for any person who is not wearing a seat belt when they are required to by law.

The most we will pay for one accident is £40,000 and the most we will pay to any one person is £10,000 for one accident.

Finally, we won't pay out under this section if the policy is held in the name of a company or other organisation.

What your policy does and doesn't cover (Continued)

Section H: Medical expenses

What's covered

If you or anyone in the car is injured in an accident involving your car, we will pay up to £100 in medical expenses for each injured person.

What's not covered

We won't pay out under this section if the policy is held in the name of a company or other organisation.

Section I: Personal belongings

What's covered

We will pay for any personal belongings and mobility aids (including wheelchairs) in your car that are lost or damaged if your car is involved in an accident or fire – or if your car is stolen or broken into, in the UK, Channel Islands or Isle of Man.

There is a separate limit for claims under this section of:

- £2,500 for mobility aids.
- £200 for personal belongings.
- £2,700 in total per incident.

What's not covered

We won't cover your personal belongings if they are stolen or damaged because your car was left open or unlocked. We also won't cover you if your belongings are stolen because you or anyone else on the policy didn't take care of your car keys or other devices used to unlock your car, such as leaving the keys in your car.

We won't pay for loss or damage to anything that relates to a trade, business or profession. That means things such as tools or office equipment.

And we won't cover money, gift cards, vouchers or any portable electronic devices, such as mobile phones.

What your policy does and doesn't cover (Continued)

Section J: Using your car abroad

What's covered

If you or anyone else on the policy drives your car within the European Union, you'll be covered for any amount you're legally obliged to pay to someone else because of an accident.

In addition we will cover you for a total of 90 days under the sections of this policy that are shown on your schedule, even though you are not in the UK, Channel Islands or Isle of Man.

We also extend this cover to a few countries outside of the European Union. These are Andorra, Iceland, Norway, Serbia, Switzerland and Liechtenstein.

If you want to extend your policy to drive in a country which is not covered, or you want cover for more than 90 days, we may be able to do this. Please talk to Fish to arrange this.

All of the things listed under the 'What's not covered' parts of your policy will still apply while you're driving abroad. For example, if your car is damaged while you're overseas, we'll treat you as if you're making a claim under **Section A** of this policy. The list of things we won't cover under **Section A** will apply.

What's not covered

We won't cover you for Section F: Driving other people's cars – when you are abroad.

We'll only accept claims made while using your car abroad, if they would have been accepted if the incident had happened in the UK, Channel Islands or Isle of Man. For example, if your car is damaged while you're on holiday, we'd only cover you if it met our criteria in **Section A** of this policy.

Other things you are covered for

What's covered

Car sharing

We will also cover you for carrying passengers as part of a car share scheme, but you cannot be paid to do this or do it as a business.

Medical emergencies

In the event of a medical emergency where you need to seek medical attention, we will also cover any damage sustained to the car whilst being driven by someone who is not covered by your certificate of insurance. The driver must hold a full drivers licence issued within the UK, Channel Islands, Isle of Man or European Union.

When your car is in the garage being repaired

We expect that your garage will already cover you for this, but just in case they don't, we will provide cover whilst your car is in the garage being repaired or having a MOT. This cover only applies when your car is being driven or worked on by the garage for the purpose of the repairs or MOT.

Uninsured driver promise

If an uninsured driver hits your car, and it's not your fault, we'll refund any excess paid and your no claim discount will be restored. You'll need to give us the other vehicle's registration number and the details of the accident including the name of the driver, for us to do this.

No claim discount

If a claim has not been made since you bought or last renewed your insurance policy, we'll offer you a discount in your price for next year when it's time to renew.

If you have made a claim, your no claim discount may be reduced. But this doesn't include claims for damaged windscreens and glass, or replacement locks and keys.

We also won't reduce your discount if we manage to recoup all the costs of your claim from someone else – for example, from the insurance company of someone else involved in the accident.

Having a no claim discount will reduce the price that we offer you when it's time to renew your policy. However, the overall cost of your insurance may still increase and you may have to pay a higher excess.

No claim discount protection

If you are eligible, this is a cover that you can request and pay a premium to protect your no claim discount. This protection will mean you can keep your discount as long as you do not make more than two claims in any consecutive three year period. After a second claim is made you won't be eligible to protect your no claims discount. Check your no claim protection discount document for details of your no claim information. Things you need to tell us about

It's important you keep us up to date with changes that may affect your insurance policy. If any of the information that you gave Fish has changed, then you must let them know. If you don't, it could mean that we won't pay your claim and your policy may be cancelled.

The kind of things that we need to hear about are:

- A change of car or a change in your car's registration number.
- A change of address or a change to the place where you keep your car overnight.
- Any modifications or additions to your car – such as changes to the bodywork, suspension, disability adaptations, brakes or any changes that affect the performance of your car.
- Any driver on the policy passes their driving test.
- There is a change to who drives your car the most.
- You or anyone else on this policy changes their job, takes a second job or changes how they use your car.
- You or anyone else on this policy who drives your car has their driving licence taken away or suspended.

Please remember that if you don't tell us about changes, it may affect any claim you make. If you're not sure whether you need to tell us about a change, give Fish a call.

If you do tell us something has changed, we can increase or reduce your premium as well as any excesses.

How to cancel your policy

You're able to cancel your policy at any time. To do so, you need to get in contact with Fish.

How much money you get back will depend on how long you've had the policy for and whether or not a claim has been made or may be made on your policy.

Cancelling before the policy starts

If you or we cancel the policy before the start date, we'll refund you, your entire premium.

Cancelling after the start of the policy

If you or we cancel after the start date of your policy, we'll refund you for the time that is left on the policy, as long as no claim has been made or may be made on your policy. Fish may also make an administration charge for cancelling your policy.

So if you pay annually, we'll work out the cost of your insurance per day, and refund you for the days that you haven't yet used.

If you pay monthly, you may have to continue your payments even after your policy has been cancelled. Check with Fish who sold you the policy. It's important to be aware that your policy won't be cancelled if you simply stop your direct debit.

If a claim has been made on this policy, or something has happened which might lead to a claim – then you won't receive any refund. And if you pay for your insurance on a monthly basis, you will need to pay the remainder of the year's premium.

Our right to cancel your policy

We or Fish have the right to cancel this policy at any time by giving you 7 days' notice in writing, as long as we have a valid reason. We'll tell you the reason why.

Reasons why we may decide to cancel your policy include:

- Changes to the information that you provided us when you purchased the policy, which are shown on your proposal form, statement of fact or policy schedule, that mean we no longer wish to insure you.
- There's been a misrepresentation which means we no longer wish to insure you.
- We're unable to take a payment from your account, although we will give you the chance to make the missing payment.
- You, or someone representing you, is abusive to our staff or anyone acting on our behalf.
- You won't give us information that we ask for.

If we suspect fraud on this or another related insurance policy we may choose to cancel your policy immediately.

If we discover that you have deliberately withheld information from us, or you gave us wrong information because you didn't take care when communicating with us or Fish Insurance, we may be entitled to void your policy. This means we would treat the policy as though it had never been issued. We may also refuse to pay any claim and keep any premium you've paid.

If we discover that you have committed fraud when a claim is being made we may refuse to pay the claim and make you repay any money we've already paid out in claims.

How to make a complaint

Should there ever be an occasion where you need to complain, we'll do our best to address this as quickly and fairly as possible.

If we can't, then we'll:

- Write to you to acknowledge your complaint.
- Let you know when you can expect a full response.

Please note that access to the Financial Ombudsman Service is not available for complaints relating to non-insurance products, for example UK Recovery. If Your complaint is not eligible, We will not refer to the Financial Ombudsman Service in Our correspondence.

In the unlikely event that we haven't responded to your complaint within eight weeks or you're not happy with our final response you have the right to take your complaint onto the Financial Ombudsman Service but you must do so within six months of the date of our final response.

The Ombudsman is an impartial complaints service, which is free for customers to use and taking your complaint to the Ombudsman does not affect your right to take your dispute to the courts.

Collecting your information

When you take out a policy with Ageas, we collect lots of information, such as your name, address, date of birth, credit history, criminal offences, financial details, claims information and IP address (which is a unique number identifying your computer). We may also ask you to share special categories of personal information such as details about your health.

We also collect information from a number of different places, for example: publicly available sources such as social media and networking sites; third party databases available to the insurance industry; firms, loss adjusters or suppliers appointed in the process of handling a claim.

Using your information

The main reason we collect your personal information and/or special categories of personal information is to provide you with an appropriate insurance quotation, policy and price. We may also need it to manage your policy, deal with a claim or send documents to you.

When you apply for insurance, our decision to provide a quotation may involve an automated process. If you object to this being done, we won't be able to provide you with an insurance quotation.

We'll also use your information where we feel there is a valid reason for doing so, for example: preventing or detecting fraud and financial crime (which may include processes which profile you) and carrying out research and analysis.

If you've given us information about someone else, you must have their permission to do so.

Sharing your information

We share your information with a number of different organisations. This may include, but is not limited to: other insurers; regulatory bodies; carefully selected third parties providing a service to us, in partnership with us, or on our behalf; fraud prevention and credit reference agencies and other companies, for example, when we're trialling their products and services which we think may improve our service to you or our business processes.

Unless required to by law, we'd never share your personal information without the appropriate care and protection in place.

Keeping your information

We'll only keep your information for as long as is necessary in providing our products and services to you and/or to fulfil our legal and regulatory obligations. We also keep your information for a number of years after the expiry of your policy in order to respond to any queries or concerns that may be raised at a later date with respect to the policy or handling of a claim. Please refer to our full Privacy Policy for more information.

How we look after your personal information (Continued)

Use and storage of your information overseas

Your personal information may be transferred to, stored and processed outside of the United Kingdom (UK).

Where we do this we'll take all reasonable steps to ensure your personal information is adequately protected to the same level as if it had remained in the UK. Please note that we or our service providers may use cloud based computer systems to which foreign law enforcement agencies may have the power to access.

Your rights

You have a number of rights in relation to the information we hold about you including: asking for access to and a copy of your personal information, objecting to the use of your personal information or to an automated decision including profiling, asking us to correct, delete, restrict or withdraw any previously provided permission for the use of your personal information, and complaining to the Information Commissioner's Office if you object to the way we use your personal information. A full list of your rights can be found in the full Privacy Policy.

There may be times when we won't be able to delete your personal information. This might be because we need to fulfil our legal and regulatory obligations or if there is a minimum period of time for which we have to keep your information. Your Motor Legal Expenses Insurance Cover

It is important that you let **us** know as soon as possible if **you** think **you** may need to **claim**. If **you** do not, this may prejudice **your claim** and may mean **we** are unable to cover **you**.

Section A - Uninsured Loss Recovery What is covered

If **you** are involved in a **road traffic collision** within the **UK** during the **policy period** for which **you** are not at fault, and you have **uninsured losses**, for example **your** motor insurance excess or compensation for personal injury, that **you** need to recover we will;

- 2) Put **you** in touch with **our legal representative**, who will assess **your** case; and
- 3) If in their reasonable opinion, **our legal representative** agrees **your claim** has **reasonable prospects of success**, appoint and pay up to the **limit of indemnity** for a suitable representative to either:
 - a) Defend the allegation; or
 - b) If **you** plead guilty to the offence, look to reduce the impact of the penalty, where it would otherwise result in **you** being disqualified or suspended from driving. This is known as a plea in mitigation.
 - c) Appeal against **your** conviction or sentence.

What is not covered

- 1) **We** cannot provide help if **your** summons relates to violence, alcohol or drugs related offences or if you had no valid licence or no licence at all;

- 5) **We** may withdraw cover if at any point **your claim** has less than a 51% chance of succeeding;
- 6) **You** must always keep any losses **you** incur to a minimum. Ensure **you** take steps to prevent any loss in the first place and don't do anything that could unnecessarily increase **your**

losses or prejudice **your claim**. If **you** do not, **we** may not cover **you** and it may affect **your** ability to **claim**. Please speak to **us** if in doubt;

- 7) **You** must notify us of all offers to settle **your claim**. **We** may withdraw cover if **we** have not provided written authorisation to accept or reject an offer to settle **your claim**.
- 8) If **you** do not accept an offer to settle **your claim** which the **legal representative** considers reasonable, **we** may refuse to pay any further **legal costs**.
- 9) **You** must ensure **you** take steps to prevent any loss in the first place and don't do anything that could unnecessarily increase **your** losses or prejudice **your claim**. If **you** do not, **we** may not cover **you** and it may affect **your** ability to **claim**. Please speak to us if in doubt;
- 10) **We** will need to be able to speak directly to any **legal representative** appointed, or agreed by **us**, even if this is one **you** have chosen;
- 11) Whilst **we** must appoint the **legal representative**, **you** may choose **your** own if it becomes necessary to start court proceedings, or if there is a conflict of interest. If **you** wish to do this, please tell **us** their name and address so **we** can consider **your** request.

A copy of which is available upon request. **You** will be responsible for any **legal costs** which are in excess of the hourly rate that **we** would normally

pay to **our** preferred **legal representative**. This amount is currently £125 per hour (unless the claim falls within the provision under Section A relating to claims in the small claims track of the county court). This amount may vary from time to time.

- 13) If for any reason **we** cannot agree to **your** suggested **legal representative**, **we** will ask the Law Society of England and Wales (or similar body) to name one
- 14) If **you** have a dispute with **us** or complaint about the service provided by **us** or a **legal representative we** appoint, please let **us** know using **our** complaints procedure. Please note however, this policy will not cover any advice or **your legal costs** in connection with this or any **claim** against **us**;
- 15) **We** may decide not to issue **legal proceedings**, but instead pay **you** directly for **your claim**, for example, where the **legal costs** of **your claim** are greater than the value of **your claim**;
- 16) If **you** have legal expenses cover with a provider other than **RAC** or if **you** are a member of a trade union and the cover or membership benefits provide cover for **your claim**, **we** will not provide cover.
